For General Debility, from which Ladies frequently suffer, there is not its equal in the whole Materia Medics.

THE inventor of this preparation was for three years a completely prostrated from Dyspapsia and inactivity of the Liver that he was frequently for weeks at a time unable to raise himself from his bed. He sought aid from physicians at home and in Europe, but in vain; his case was pronounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing medicine, his cuccess in such cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown by the certificates which have ocen advertised.

MEMPHIS, Tenn., April 17, 1802.

I hereby certify that I have been acquainted with Dr. J.

N. with a preparation of his own in being restored to good bealth.

M. GABBERT, M. D. Physicians are requested to try this proparation. We feel satisfied it will sustain the character we give to it in this publication.

De. Burnson:—I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alternative Compound, as a very seperior medical. My son, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery, I concluded to try your Alternative, two bottles of which, I believe, entirely cured him.

MICAJAH CAYCE.

Dr. Blersor:—Some time has elapsed since I gave a eer tificate that my wife had beed greatly benefited by your Alterative Compound. I now take pleasure in saying to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspopsia. I had tried of several whom I thought to be the had reversions in the place and a great resurgification. the best physicians in the place and a great many differen medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely oured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

N. B. ROBERTSON.

Dr. Bledde-Having seen the publication of your Alterative Compound, I think it my duty to say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is go ven by physicians, and never faind any thing that would certainly relieve me, until I tried the above medicine, which has relieved main every attack in less than an hour. relieved me in every attack in less than an hour.

WM. B. LLOYD.

Da. Burnson:—I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely relieved me, so that I have not had cause to take anything in two mouths. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspensia again I shall be sure to call on you. I am very respectfully your friend.

ELIZABETH J. HARWOOD.

This is to certify, that I had suffered for many years with Dyspepsia and Diseases of the Liver. Physician after Physician had prescribed for me without my receiving any benefit, whon I commenced the use of Dr. Bledsoe's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my acquaint ance.

HUNTSVILLE, Ala., March 3, 1852.

Dr. Blerson.—Sra: Judging from the certificates you have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; kat I must say, that for years I suffered a great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. enjoyed robust health.

This was an extreme case of information of the spleen, of long standing; has a variety of treatment from no less than eight different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Cintment. This was four months ago and the lady (a Mrs. Dunham,) is still in good health, and able to attend to her usual household duties. I have treated two cases of Chronic Sore Eyes with the Cintment, both of the patients so nearly blind, as to need an attendant to lead them from place to place. One of them had been afflicted 1s years, the other about 9 years. They had tried the best physicians in the State, without benefit, and one of them had been under the treatment of the celebrated Dr. Muzzy, of Gincimati, for eighteen mouths, and had expended hundreds of dollars in eighteen months, and had expended hundreds of dollars in vain efforts to effect a cure. They are now by use of the Magnetic Ointment, nearly or quite cured; and are able to read and attend to any ordinary business. I have used the Ointment in a number of cases of Piles, and in no case has it failed of giving immediate relief and generally a permanent cure. I have also used it beneficially in severe cases of Ery-sipelas. And last but not least, I have within the last year

rured four cases of CANCER by the use of the Magnetic Ointment alone!

From a thorough trial of the Ointment in nearly every disease for which it is recommended, I can confidently recommend it to be one of the most useful remedies ever of fered to the public.

EURTON HUBBELL, M. D. Dated Jan 27, 1850, Amelia, Ohio.

The character of this Ohioment, as an efficient remedy, is established in this city. There are quite a number of individuals who ascribe their restoration to health to the use of

this extraordinary Ointment.

This celebrated Pain Extractor has been so extensively used by Physicians and the people in general, both in this country and Europe, that it is almost needless to say any thing about it. Yet there may be some, who stand in need for the country and the country a of its healing powers who have not yet tried it. For their sakes we will simply state what it has done in thousand of cases, and what it will do for them when tried.
